

## TARIFFS AND TERMS FOR WEIGHTING ON HHLA TK Estonia SCALES (valid from 01.01.25)

1. **Truck weighting on Terminal truck scales**
  - 1.1 single weighting **27.50** EUR/weighting
  - 1.2 two-time weighting (laden and empty) **38.50** EUR/weightings
  - 1.3 weighting on axes **155.00** EUR/weightings

**NB!** Weighting service should be ordered by the Client in accordance with HHLA TK Estonia weighting procedure before the truck arrives at the terminal.
2. **Weighting of laden export container**, if the container loaded by Terminal (excl. FR or OT container with OOG cargo): **38.50** EUR/container
3. **Weighting of laden export or import container by separate order**, if container stands on the Terminal storage area and after weighting remains in the Terminal (for ex. if export container arrived at Terminal without VGM weighting document): **126.50** EUR/container
 

**NB!** The rate is doubled when weighting of FR or OT containers with OOG cargo.
4. **Weighting on the terminal scales of the OOG container loaded by the terminal** **100.00** EUR/container
5. **Check weighing in case a container is found that exceeds its carrying capacity** **100.00** EUR/container
 

\* includes delivery of the container to the scales and weighing
6. The Rates stipulated in clause 1 are valid for the period specified by the HHLA TK Estonia terminal (information is available at <https://hhl-tk.ee/en/customer-area/important-information>).
7. All Rates are given without VAT. The client pays VAT under the valid legislation of the Republic of Estonia.
